$BROCC White Paper

$BROCC: The Ultimate BRO Meme Coin on Solana

1. Introduction

- $BROCC is the community-driven meme coin for BROs everywhere! Inspired by brotherhood (BROTHERS LIKE ROCKS), fun, and the Solana ecosystem, $BROCC is designed to unite holders in a rug-safe, high-potential adventure. Launched on Pump.fun, we're pumping to Raydium and beyond. No financial advice - DYOR and have fun! 🚀

2. Tokenomics

- Total Supply: 1,000,000,000 $BROCC (fixed, mint authority revoked for rug-safety).
- Creator Allocation: 26,000,000 $BROCC (for airdrops, community rewards, and development).
- Tax: 0% (fair and simple for all BROs).
- Liquidity: Bonding curve on Pump.fun, auto-migrate to Raydium at approximately $96k MC with LP burn.
- Distribution: Community airdrops (1% of supply), organic growth, no presale or team tokens for rug-free vibe.

3. Roadmap

- Phase 1: Launch & Hype (Current): Pump.fun launch, airdrop live, X ads, Telegram community build. Bonding curve to %100!
- Phase 2: Raydium Graduate: $94k goal for migrate, LP burn, rug-safe confirmation.
- Phase 3: CEX Listings: KuCoin/Bybit target, marketing boost, partnerships.
- Phase 4: Moon Shot: Community events, meme contests, BRO ecosystem (NFTs, games).

4. Rug-Safe Features

- Mint authority revoked by Pump.fun - no extra tokens!
- LP burn at Raydium migrate.
- Transparent creator - no rug, community first!
